The Over 50's Show-RDS, Ballsbridge, Dublin, Friday 15th – Sunday 17th Oct. 2010.

The Over 50's Show has taken place each year for several years and attracts over 20,000 visitors over the 3 days of the Show.

This year, for the first time, a section of the Show is being devoted to Irish History, Genealogy and Heritage. The Irish Family History Society will have a stand in this section and will be promoting the aims and objectives of our Society, and offering assistance to those searching for their roots.

Members of the Society will be made most welcome if they call at the stand and meet with those members manning the stand. Please also encourage friends and neighbours to drop by.

Details will be posted on the Show's website www.seniortimes.ie

See you there!!

John Heuston
